Home study, correspondence and online courses do not fulfill the Eligibility requirements that the student actively attend classes. The Company maintains its right to investigate Eligibility or student status and attendance records to verify that the policy Eligibility requirements have been met. If the Company discovers the Eligibility requirements have not been met, its only obligation is to refund premium.

Eligible students who do enroll may also insure their Dependents. Eligible Dependents are the student's legal spouse and dependent children under 26 years of age.

Dependent Eligibility expires concurrently with that of the Insured student.

U.S. citizens are not eligible for coverage as a student or a Dependent.

## **Effective and Termination Dates**

---

The Master Policy becomes effective at 12:01 a.m., July 1, 2018. The individual student's coverage becomes effective on the first day of the period for which premium is paid or the date the enrollment form and full premium are received by the Company (or its authorized representative), whichever is later. The Master Policy terminates at 11:59 p.m., September 30, 2019. Coverage terminates on that date or at the end of the period through which premium is paid, whichever is earlier. Twelve (12) months is the maximum time coverage can be effective under any policy year for any Insured person. Dependent coverage will not be effective prior to that of the Insured student or extend beyond that of the Insured student.

Refunds of premiums are allowed only upon entry into the armed forces.

The Policy is a Non-Renewable One Year Term Policy.

## **Choice of Plan**

---

Each eligible student has a choice of one of seven Global Care Injury and Sickness Plans, Savings (203382), Essential (203140), Basic (202816), Intercollegiate Sports Basic (202816), Plus (202817), Elite (203147) and Intercollegiate Sports Plus (202960). This brochure provides information on the Global Care Savings Option.

Please be aware that if you choose to upgrade coverage in any subsequent policy year the benefit levels above your previous plan's limits will be subject to a new Pre-Existing Condition exclusion and waiting period. You will not be subject to a new Pre-Existing Condition exclusion on the lower benefits levels.

Please review the benefits and make your selection carefully. You cannot upgrade coverage after the initial purchase of the plan for the policy year.

Note: A Pre-Existing Condition exclusion applies to the Savings, Essential, Basic, and Intercollegiate Sports Basic Plans, but does not apply to the Plus, Elite or Intercollegiate Sports Plus Plans.

The Essential Plan (2018-203140-91/93), Basic Plan (2018-202816-91/93), Intercollegiate Sports Basic Plan (2018-202816-97/98), Plus Plan (2018-202817-91/93), Elite Plan (2018-203147-91/93) and Intercollegiate Sports Plus Plan (2018-202960-91/93) are outlined in separate brochures.

## **Extension of Benefits after Termination**

---

The coverage provided under the Policy ceases on the Termination Date. However, if an Insured is Hospital Confined on the Termination Date from a covered Injury or Sickness for which benefits were paid before the Termination Date, Covered Medical Expenses for such Injury or Sickness will continue to be paid as long as the condition continues but not to exceed 30 days after the Termination Date.

The total payments made in respect of the Insured for such condition both before and after the Termination Date will never exceed the Maximum Benefit.

After this "Extension of Benefits" provision has been exhausted, all benefits cease to exist, and under no circumstances will further payments be made.

## **Pre-Admission Notification**

---

UnitedHealthcare should be notified of all Hospital Confinements prior to admission.

1. **PRE-NOTIFICATION OF MEDICAL NON-EMERGENCY HOSPITALIZATIONS:** The patient, Physician or Hospital should telephone 1-877-295-0720 at least five working days prior to the planned admission.

When Prescription Drug benefits are payable under the policy, benefits will be provided for drugs for treatment of cancer or life threatening conditions although the drug has not been approved by the Food and Drug Administration for that indication if that drug is recognized for treatment of such indication in one of the standard reference compendia or in the appropriate medical literature. The prescribing Physician must submit documentation supporting the proposed off-label use or uses to the Company if requested. Coverage shall include Medically Necessary services associated with the administration of such drugs.

## **Excess Provision**

---

Even if you have other insurance, the Plan may cover unpaid balances, Deductibles and pay those eligible medical expenses not covered by other insurance. Benefits will be paid on the unpaid balances after your other insurance has paid.

No benefits are payable for any expense incurred for Injury or Sickness which has been paid or is payable by other valid and collectible insurance or under an automobile insurance policy.

However, this Excess Provision will not be applied to the first \$100 of medical expenses incurred.

Covered Medical Expenses excludes amounts not covered by the primary carrier due to penalties imposed as a result of the Insured's failure to comply with policy provisions or requirements.

**Important:** The Excess Provision has no practical application if you do not have other medical insurance or if your other insurance does not cover the loss.

## **Accidental Death and Dismemberment Benefits**

---

### **Loss of Life, Limb or Sight**

If such Injury shall independently of all other causes and within 180 days from the date of Injury solely result in any one of the following specific losses, the Insured Person or beneficiary may request the Company to pay the applicable amount below in addition to payment under the Medical Expense Benefits.

For Loss of:

Life	\$2,500
Two or More Members	\$2,500
One Member	\$1,250

Member means hand, arm, foot, leg, or eye. Loss shall mean with regard to hands or arms and feet or legs, dismemberment by severance at or above the wrist or ankle joint; with regard to eyes, entire and irrecoverable loss of sight. ## **Definitions**

---

**COINSURANCE** means the percentage of Covered Medical Expenses that the Company pays.

**COPAY/COPAYMENT** means a specified dollar amount that the Insured is required to pay for certain Covered Medical Expenses.

**COVERED MEDICAL EXPENSES** means reasonable charges which are: 1) not in excess of Usual and Customary Charges; 2) not in excess of the Preferred Allowance when the policy includes Preferred Provider benefits and the charges are received from a Preferred Provider; 3) not in excess of the maximum benefit amount payable per service as specified in the Schedule of Benefits; 4) made for services and supplies not excluded under the policy; 5) made for services and supplies which are a Medical Necessity; 6) made for services included in the Schedule of Benefits; and 7) in excess of the amount stated as a Deductible, if any.

Covered Medical Expenses will be deemed "incurred" only: 1) when the covered services are provided; and 2) when a charge is made to the Insured Person for such services.

**DEDUCTIBLE** means if an amount is stated in the Schedule of Benefits or any endorsement to this policy as a deductible, it shall mean an amount to be subtracted from the amount or amounts otherwise payable as Covered Medical Expenses before payment of any benefit is made. The deductible will apply as specified in the Schedule of Benefits.

**DEPENDENT** means the spouse (husband or wife) of the Named Insured and their dependent children. Children shall cease to be dependent at the end of the month in which they attain the age of 26 years.

The attainment of the limiting age will not operate to terminate the coverage of such child while the child is and continues to be both:

1. Incapable of self-sustaining employment by reason of mental retardation or physical handicap.
2. Chiefly dependent upon the Insured Person for support and maintenance.

Proof of such incapacity and dependency shall be furnished to the Company: 1) by the Named Insured; and, 2) within 31 days of the child's attainment of the limiting age. Subsequently, such proof must be given to the Company annually following the child's attainment of the limiting age.

If a claim is denied under the policy because the child has attained the limiting age for dependent children, the burden is on the Insured Person to establish that the child is and continues to be handicapped as defined by subsections (1) and (2).

**INJURY** means bodily injury which is all of the following:

1. Directly and independently caused by specific accidental contact with another body or object.
2. Unrelated to any pathological, functional, or structural disorder.

4. Treated by a Physician within 30 days after the date of accident.
5. Sustained while the Insured Person is covered under this policy.

All injuries sustained in one accident, including all related conditions and recurrent symptoms of these injuries will be considered one injury. Injury does not include loss which results wholly or in part, directly or indirectly, from disease or other bodily infirmity. Covered Medical Expenses incurred as a result of an injury that occurred prior to this policy's Effective Date will be considered a Sickness under this policy.

**INPATIENT** means an uninterrupted confinement that follows formal admission to a Hospital by reason of an Injury or Sickness for which benefits are payable under this policy.

**MEDICAL EMERGENCY** means the occurrence of a sudden, serious and unexpected Sickness or Injury. In the absence of immediate medical attention, a reasonable person could believe this condition would result in any of the following:

1. Death.
2. Placement of the Insured's health in jeopardy.

3. Serious impairment of bodily functions.
4. Serious dysfunction of any body organ or part.
5. In the case of a pregnant woman, serious jeopardy to the health of the fetus.

Expenses incurred for "Medical Emergency" will be paid only for Sickness or Injury which fulfills the above conditions. These expenses will not be paid for minor Injuries or minor Sickesses.

4. Not primarily for the convenience of the Insured, or the Insured's Physician.
5. The most appropriate supply or level of service which can safely be provided to the Insured.

The Medical Necessity of being confined as an Inpatient means that both:

1. The Insured requires acute care as a bed patient.
2. The Insured cannot receive safe and adequate care as an outpatient.

This policy only provides payment for services, procedures and supplies which are a Medical Necessity. No benefits will be paid for expenses which are determined not to be a Medical Necessity, including any or all days of Inpatient confinement.

**NEWBORN INFANT** means any child born of an Insured while that person is insured under this policy. Newborn Infants will be covered under the policy for the first 31 days after birth. Coverage for such a child will be for Injury or Sickness, including medically diagnosed congenital defects, birth abnormalities, prematurity and nursery care; benefits will be the same as for the Insured Person who is the child's parent.

The Insured will have the right to continue such coverage for the child beyond the first 31 days. To continue the coverage the Insured must, within the 31 days after the child's birth: 1) apply to us; and 2) pay the required additional premium, if any, for the continued coverage. If the Insured does not use this right as stated here, all coverage as to that child will terminate at the end of the first 31 days after the child's birth.

**PRE-EXISTING CONDITION** means: 1) the existence of symptoms which would cause an ordinarily prudent person to seek diagnosis, care or treatment within the 12 months immediately prior to the Insured's Effective Date under the policy; or, 2) any condition which is diagnosed, treated or recommended for treatment within the 12 months immediately prior to the Insured's Effective Date under the policy.

**SICKNESS** means sickness or disease of the Insured Person which causes loss while the Insured Person is covered under this policy. All related conditions and recurrent symptoms of the same or a similar condition will be considered one sickness. Covered Medical Expenses incurred as a result of an Injury that occurred prior to this policy's Effective Date will be considered a sickness under this policy.

**USUAL AND CUSTOMARY CHARGES** means the maximum amount the Policy is obligated to pay for services. Except as otherwise required under state or federal regulations, usual and customary charges will be the lowest of:

1. The billed charge for the services.
2. An amount determined using current publicly-available data which is usual and customary when compared with the charges made for a) similar services and supplies and b) to persons having similar medical conditions in the geographic area where service is rendered.
3. An amount determined using current publicly-available data reflecting the costs for facilities providing the same or similar services, adjusted for geographical difference where applicable, plus a margin factor.

The Company uses data from FAIR Health, Inc. and/or Data iSight to determine Usual and Customary Charges. No payment will be made under the Policy for any expenses incurred which in the judgment of the Company are in excess of Usual and Customary Charges.
